la Parola del Presidente

Ciao Fellow Members: I hope you are all enjoying your summer! We are making progress on the expansion. Lou went for the permits and it won't be long before they start construction. Thanks to the members for passing the expansion and funds for equipment that we need to make our kitchen a modern facility. I would like to thank Lou and Bruce for the time they spent getting all the information, the permits, meeting with the board of health, etc. Tom Colangelo and Justin Terzi went to school on food safety and will be board of health certified. I want to thank them for their support. There is still work to do on the Bocce courts, it's going slow but at least it's going. Nulla Si Fa Volonta, President Tom
